

Patrick S. Aubry
Vice President , Chief Financial Officer
EPMC Holdings Corporation

Patrick S. Aubry is EPMC Holdings Corporation's vice president, chief financial officer, treasurer and secretary joining the company in May 2006. He has 26 years of management, accounting, tax and audit experience.

Aubry began his career in 1984 with Ernst & Young where he was responsible for all phases of audit engagements with an emphasis on planning and management of services.

His career progressed to Faurecia Exhaust Systems, Inc. (formerly AP Automotive Systems), when he joined the company in 1991 as manager of external reporting and internal audit. While at Faurecia, he managed the corporate finance group, overseeing all aspects of accounting, reporting, treasury, tax, risk management and payroll. In 2000, he was named Vice President, Finance.

Most recently, Aubry served as chief financial officer of ASC Incorporated, a specialty vehicle automotive supplier. His responsibilities included all aspects of the company's operations as part of the senior management team where he led the successful restructuring of the company's financing.

Aubry received his Bachelor's of Arts degree from the University of Toledo with an accounting major. He is a Certified Public Accountant.
